Unless otherwise stated, vouchers are usually required for food parcels. These are issued by referring agencies, such as the CAB, a GP or Social Worker, the Job Centre, Local Authority, Police, and specialist charities (eg debt, domestic abuse, Farming Crisis Network, homeless, young people, etc). Vouchers are generally for 3-14 days provision. Please see the website of each Food Bank for details of local referrers and processes; and for any other associated services at each Food Bank centre.
